Visit one of the two locations in Baton Rouge area at
4523 Plank Road and 1991 Wooddale Boulevard to see if
you qualify*

*you must apply no less than 10 days prior to start of class

NCCER Electrical Level 1 and Level 2

Electricians install electrical systems in structures; they install wiring and other electrical components, such as circuit breaker panels, switches, and light fixtures, and they follow blueprints, the National Electrical Code® and state and local codes. To prepare trainees a career in the electrical field, NCCER offers a comprehensive, 4-level Electrical curriculum that complies with DOL time-based standards for apprenticeship.
