Baker Municipal Center Auditorium
3325 Groom Road

Or, participate online at walkbikecapitalregion.com

- Review meeting boards
- View project updates
- Comment on the map
- Take the survey

CITY OF BAKER

Project Map:

The City of Baker would like you to help identify locations for new or improved bicycle and pedestrian facilities and intersections where safety improvements are needed.

Please visit the online interactive map on the project website at the URL below. To use: Click “Add Route” to suggest a bike or pedestrian facility, or “Add Point” to suggest an intersection improvement, identify a destination to which you would like to walk or bike, or to provide a general comment.
