Section 6. COLLECTION OF TAX FROM DEALER

a. On all tangible personal property imported or caused to be imported from other states or other political subdivisions of this state or foreign country, and used by him, the dealer shall pay the tax imposed by this ordinance on all articles of tangible personal property so imported and used, the same as if the articles had been sold at retail for use or consumption in the taxing jurisdiction. For the purpose of this ordinance, the use, or consumption, or distribution, or storage of tangible personal property shall each be equivalent to a sale at

In no event shall the credit be greater than the tax imposed by this Taxing Jurisdiction upon the tangible personal property which is the subject of this Taxing Jurisdiction's use tax.

(3) Where taxes have been erroneously paid to another taxing jurisdiction, the provisions of Act 739 of 1990 [R.S. 33:2718.2(D) and (E)] shall be used to determine the applicability of the credit.

All labor, parts, accessories and other equipment which are attached to the vehicle at the time of sale, and which are included in the sale price, are to be considered a part of the vehicle.

(3) It is not the intention of this subsection to grant an exemption from the tax levied by this ordinance to any sale, use, item or transaction which has heretofore been taxable, and this subsection is not to be construed as so doing. It is the intention of this subsection to transfer the collection of the sales and use tax on vehicles from the vendor to the Vehicle Commissioner and to provide a method of collection of the tax directly from the vendee or user by the Vehicle Commissioner, as authorized in the case of state sales and use taxes by the provisions of Act 182 of 1962.

(4) The Director is further authorized to promulgate such rules and regulations as may be necessary to carry out the terms and conditions of any agreement entered into with the Vehicle Commissioner for the purposes hereof.

d. Auctioneers shall be responsible for the collection of all taxes on retail sales by them and shall report and remit such taxes as provided in this ordinance.

Section 7. COLLECTION OF TAX BY DEALER

a. (1) The tax herein levied shall be collected by the dealer from the purchaser or consumer, except for the collection of tax on the lease or rental of property for use offshore as otherwise provided in Section 1d(5) hereof. The dealer shall have the same right in respect to collecting the tax from the purchaser, or in respect to nonpayment of the tax by the purchaser, as if the tax were a part of the purchase price of the property or charges for services, and payable at the time of the sale; however, the taxing jurisdiction shall be joined as a party in any action or proceeding brought by the dealer to collect the tax.

(2) Every dealer located outside the taxing jurisdiction making sales of tangible personal property for distribution, storage, use or other consumption in this taxing jurisdiction, shall at the time of making sales, collect the tax imposed by this ordinance from the purchaser.

(3) Where the purchaser has failed to pay and a dealer has failed to collect a tax upon a sale as imposed by this ordinance, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the purchaser directly to the taxing jurisdiction, and it shall be the duty of the purchaser to file a return thereof with the Director and to pay the tax imposed thereon to the taxing jurisdiction within fifteen (15) days after such sale was made or rendered.

b. (1) The dealership, as far as practicable, add the exact amount of the tax imposed under this ordinance, or the average equivalent thereof, in conformity with the rules and regulations to be issued by the Director, to the sales price or charge, and when added, such tax shall constitute a part of such price or charge, and shall be a debt from the purchaser or consumer to the dealer, until paid, and shall be recoverable at law in the same manner as other debts. Any dealer who shall neglect, fail or refuse to collect the tax herein provided upon any, every and all retail sales made by him or his agent or employee, which is subject to the tax imposed in this ordinance, shall be liable for, and pay the tax himself.

(2) Where the tax collected for any period is more than the total amount of sales taxes imposed in the taxing jurisdiction, the total collected must be paid over to the taxing jurisdiction, less the commission to be allowed the dealer as hereinafter set forth.

c. A person engaged in any business taxable under this ordinance shall not advertise or hold out to the public in any manner, directly or indirectly, that he will absorb all or any part of the tax, or that he will relieve the purchaser from the payment of all or any part of the tax.

d. The sums of money collected by the dealer for payment of any taxes imposed herein shall be and remain the property of the Taxing Jurisdiction.

Section 8. CERTIFICATE OF AUTHORITY

a. In order to aid in the administration and enforcement of the provisions of this ordinance, and to collect all of the taxes imposed by this ordinance, dealers purchasing or importing tangible personal property for resale commencing business after the effective date of this ordinance, or opening new places of business after such date, shall within three (3) days after such commencement or opening file with the Director a certificate of registration on a form prescribed by him. The Director shall, within five (5) days after such registration, issue without charge to each dealer who purchases or imports for resale a certificate of authority empowering such dealer to collect the tax from the purchaser, and duplicates thereof, for each additional place of business of such dealer. Each certificate or duplicate shall state the place of business to which it is applicable. Such certificate of authority shall be prominently displayed in the places of business of the dealer. A dealer who has no regular place of doing business shall attach such certificate to his cart, stand, truck, or other merchandising device. Such certificate shall be non-assignable and non-transferable and shall be surrendered immediately to the Director upon the dealer's ceasing to do business at the place therein named.

b. A wholesale dealer or jobber shall collect the tax imposed by this ordinance unless the purchaser shall have filed a certificate of registration as prescribed herein and received a certificate of authority to collect the tax imposed by this ordinance; however, the payment of the tax by such purchaser shall not relieve the purchaser of the duty hereunder imposed upon such purchaser to collect the tax upon any resale made by him. Such purchaser who shall thereafter file a certificate of registration and receive a certificate of authority to collect the tax may, upon application, therefore, receive a refund of the taxes paid by him upon property thereafter resold by him, and upon the receipts from which he shall have collected and paid over to the taxing jurisdiction, the tax herein imposed.

Section 9. IMPORT PERMITS

a. In order to prevent the illegal importation of tangible personal property which is subject to the tax into the taxing jurisdiction and to strengthen and make more effective the manner and method of enforcing payment of the tax imposed by this ordinance, the Director is hereby authorized and empowered to put into operation a system of permits whereby any person or dealer may import tangible personal property by truck, automobile or other means of transportation other than a common carrier, without having the truck, automobile, or other means of transportation seized and subjected to legal proceedings for its forfeiture. Such system of permits shall require the person or dealer who desires to import tangible personal property into the taxing jurisdiction which property is subject to tax imposed by this ordinance, to apply to the Director for a permit stating the kind of vehicle to be used, the name of the driver, the license number of the vehicle, the kind or character of tangible personal property to be imported, the date, the name and address of the consignee, and such other information as the Director may deem proper or necessary to prevent the illegal importation of tangible personal property into the taxing jurisdiction. Such permits shall be free of cost to the applicant and may be obtained at the office of the Director.

b. The importation into the taxing jurisdiction of tangible personal property which is subject to tax by truck, automobile or other means of transportation other than a common carrier, without having first obtained a permit as described hereinabove (if the tax imposed by this ordinance on tangible personal property has not been paid) shall be construed as an attempt to evade payment of the tax and is hereby prohibited and the truck, automobile or means of transportation other than a common carrier, and taxable property may be seized by the taxing jurisdiction in order to secure the same as evidence in a trial and shall be subject to forfeiture and sale in the manner provided for in this ordinance.

c. The failure of any dealer who imports tangible personal property from outside the taxing jurisdiction into the taxing jurisdiction for use or consumption or distribution or storage, to be used or consumed in the taxing jurisdiction, or who imports for lease or rental, any tangible personal property subject to the provisions of this ordinance, to pay any tax, interest, penalties or costs under this ordinance, shall ipso facto make the tax, interest, penalties and costs delinquent and shall be construed as an attempt to avoid their payment, which shall be sufficient grounds for attachment of such tangible personal property wherever it, may be located or found, whether the delinquent dealer be a resident or nonresident of the taxing jurisdiction, and whether the tangible personal property be in the possession of the delinquent dealer or in the possession of other persons. It is the intention of this ordinance to prevent the disposition of tangible personal property to insure payment of the tax imposed by this ordinance, together with interest, penalties and costs, and such authority to attach is hereby specifically authorized and granted to the taxing jurisdiction.

Section 10. RETURNS AND PAYMENTS OF TAX: DELINQUENT INTEREST. PENALTY. ATTORNEY FEES: VENDORS' COMPENSATION

a. The taxes levied hereunder shall be due and payable on the first day of the month next following the month in which this ordinance takes effect. For the purpose of ascertaining the amount of tax payable under this ordinance, it shall be the duty of all dealers, on or before the twentieth (20th) day of the month following the month in which this tax shall become effective, to transmit to the taxing jurisdiction, upon forms prescribed, prepared and furnished by the Director, returns showing the gross sales or purchases arising from all sales or purchases taxable under this ordinance during the preceding calendar month, or during the part of the preceding calendar month, running from the effective date of this ordinance to the end of such month. Thereafter, like returns shall be prepared and transmitted to said Director

by all dealers on or before the twentieth (20th) day of each month for the preceding calendar month. Such returns shall show further information as the Director may require enabling him to correctly compute and collect the tax herein levied. Such returns shall be signed by the dealer filing the same and his signature thereon shall constitute a warranty on the part of the dealer that he has read and examined the returns and that to the best of his knowledge and belief, the same are true, correct and complete. Every dealer, at the time of making the return required hereunder shall compute and remit to the taxing jurisdiction the required tax due for the preceding calendar month.

b. The Director may agree with a dealer to allow for quarterly reporting and remitting of the taxes under the sales and use tax ordinance when such taxes amount to \$50 or less per month.

c. The Director may agree with a dealer to allow for the collection of sales taxes by the dealer from his particular independent agents, such tax is to be remitted to the Director.

d. The Director may agree with certain dealers or purchasers to accept their sales and use tax returns and remittances on an irregular basis, when past returns and knowledge of common business practice indicate to the Director that the only tax liability is because of infrequent transactions upon which sales or use tax is due.

e. For the purpose of compensating the dealer in accounting for and remitting the tax levied by this ordinance, each dealer shall be allowed one (1%) percent of the amount of tax due and accounted for and remitted to the taxing jurisdiction in the form of a deduction in submitting his report and paying the amount due by him, provided the amount due was not delinquent at the time of payment.

f. At the time of transmitting the return required hereunder to the Director, the dealer shall remit to the taxing jurisdiction therewith the amount of the tax due under the applicable provisions of this ordinance, and failure to so remit such tax shall cause the tax to become delinquent.

g. (1) If the amount of tax due by the dealer is not paid on or before the twentieth (20th) day of the month next following the month for which the tax is due, there shall be collected with said tax, interest upon said unpaid amount at the rate of one and one-quarter (1-1/4%) percent per month, or fractional part thereof. In addition, there shall be collected a penalty equivalent to five (5%) percent per month, or fraction thereof, not to exceed twenty-five (25%) percent in aggregate, of the tax due, when such tax is not paid on or before the twentieth (20th) day of the month next following the month for which the tax is due. Both interest and penalty will be computed from the first day of the month next following the month for which the tax is due. In the event of suit, attorney's fees will be charged the dealer at the rate of ten (10%) percent on the aggregate of tax, interest and penalty. All interest and penalties due for subsequent months will be assessed and due as of the first day of each succeeding month. The Parish Attorney is authorized to employ private counsel to assist in the collection of any sales and use taxes, penalties or interest due under this ordinance, or to represent him in any proceeding under this ordinance.

(2) All taxes, interest and penalties imposed under this ordinance shall be paid to the taxing jurisdiction in the form of remittance required by the Director.

(3) All penalties and interest imposed by this ordinance shall be payable to and recoverable by the taxing jurisdiction in the same manner as if they were part of the tax imposed. If the failure to pay any such tax when due is explained to the satisfaction of the Director, he may remit or waive payment of the whole, or any part, of any penalty, and may remit and waive payment of any interest charged more than the rate of one and one-quarter (1-1/4%) percent per month.

h. For collecting and remitting to the taxing jurisdiction the tax imposed by this ordinance, the dealer is hereby declared to be the agent of the taxing jurisdiction.

i. Anything to the contrary in this ordinance notwithstanding, rental-purchase agreements, as defined in Louisiana Act 204 of 1991, shall be deemed to be sales and the tax due on such transactions shall be payable in equal monthly installments over the entire term of the rental-purchase agreement, rather than at its inception.

j. However, a person who leases or rents tangible personal property to customers who provide information to such person that they will use the property only offshore beyond the territorial limits of the state shall not be included in the term "dealer" for purposes of the collection of the rental or lease tax imposed by this ordinance on such lease or rental contracts. For purposes of this subparagraph, "use" means the operational or functional use of the property and no other uses related to its possession such as transportation, maintenance, and repair. It is the intention of this subparagraph that the customers of such persons shall remit any tax due on the lease or rental of such property directly to the Taxing Jurisdiction.

Section 11. RECORDS

a. Every dealer required to make a report or pay any tax under this ordinance shall keep and preserve verifiable records of the sales, purchases or leases taxable under this ordinance, and such other books of account as may be necessary to determine the amount of the tax due hereunder, and such other information as may be required by the Director. Each dealer shall secure, maintain and keep, until the taxes to which they relate have prescribed, a complete record of tangible personal property received, used, sold at retail, distributed, or stored, leased or rented, within the taxing jurisdiction by such dealer, together with invoices, bills of lading, and other pertinent records and papers as may be required by the Director for the reasonable administration of this ordinance, and a complete record of all sales or purchases of services taxable under this ordinance until the taxes to which they relate have prescribed. These records shall be open to examination by the Director at all reasonable hours.

b. All wholesale dealers and jobbers in the taxing jurisdiction shall keep and preserve verifiable records of all sales of tangible personal property in the taxing jurisdiction whether such sales be for cash or on credit. These records shall include the name and address of the purchaser, the date of the purchase, the article purchased, and the price at which the article is sold to the purchaser. These records shall be kept until the taxes to which they relate have prescribed and shall be open to examination by the Director at all reasonable hours.

c. For the purpose of enforcing the collection of the tax levied by this ordinance, the Director is hereby specifically authorized and empowered to examine, at all reasonable hours, the books, records and other documents of all transportation companies, agencies or firms operating in the taxing jurisdiction, whether said companies, agencies or firms conduct their business by truck, rail, water, airplane, or otherwise, in order to determine what dealers, as provided in this ordinance, are importing or are otherwise shipping articles of tangible personal property which are liable for said tax. In the event said transportation company, agency or firm shall refuse to permit such examination of its books, records and other documents by the Director, as aforesaid, the Director may proceed by rule, in term time or in chambers, in any court of competent jurisdiction and require said transportation company, agency or firm to show cause why the Director should not be permitted to examine its books, records or other documents, and in case said rule be made absolute, the same shall be considered a judgment of the court and every violation of the judgment as a contempt thereof and punished according to law.

Section 12. DIRECTOR'S AUTHORITY TO EXAMINE AND AUDIT

a. For administering this ordinance, the Director may make or cause to be made an examination or investigation of the place of business, if any, the tangible personal property, and the books, records, papers, vouchers, accounts, and documents of any dealer. It shall be the duty of every dealer and every director, official, agent or employee of every dealer, to exhibit to the Director the tangible personal property and all the books, records, papers, vouchers, accounts, and documents of the dealer and to facilitate any such examination or investigation, as far as it may be in his or their power so to do.

b. It shall be lawful for the Director to receive the written oath of any person signing any application, deposition, statement or report required by the Director, in the administration of this ordinance.

c. The Director may conduct hearings and have administered and examined under oath any dealer and the directors, officers, agents and employees of any dealer, and any other witnesses relative to the business of such dealer in respect to any matter incident to the

administration of this ordinance. Such examinations or hearings shall be at a time convenient to the dealer within fourteen (14) days after requested by the Director in writing.

Section 13. DIRECTOR'S AUTHORITY TO DETERMINE THE TAX

a. (1) After a report or return is filed under the provisions of the ordinance, the Director shall cause to be made such further audit or investigation as he may deem necessary, and if therefrom he shall determine that there is a deficiency with respect to the payment of any tax due hereunder, he shall assess the additional amount of tax and any penalties and interest due. The assessment so made shall be considered prima facie correct and the burden shall be on the dealer to show the contrary.

(2) In the event any dealer fails to make a report and pay the tax as provided by this ordinance, or in case the dealer makes a grossly incorrect report or a report that is false or fraudulent, it shall be the duty of the Director to make an estimate for the taxable period of the retail sales, or sales of services, of such dealer, or of the gross proceeds from rentals or leases of tangible personal property by the dealer, and an estimate of the cost price of all articles of tangible personal property imported by the dealer for use or consumption or distribution or storage, to be used or consumed in the taxing jurisdiction, and assess and collect the tax and interest, plus penalty, if such have accrued, on the basis of such assessment, which shall be considered prima facie correct, and the burden to show the contrary shall rest upon the dealer.

b. In the event the dealer has imported the tangible personal property and he fails to produce an invoice showing the cost price of the articles which are subject to tax, or the invoice does not reflect the true or actual cost price, the Director shall ascertain, in any manner feasible, the true cost price and assess and collect the tax with interest, plus penalties, if such have accrued, on the true cost price as assessed by him. The assessment so made shall be considered prima facie correct, and the burden shall be on the dealer to show the contrary.

c. In the case of the lease or rental of tangible personal property, if the consideration given or reported by the dealer does not, in the judgment of the Director, represent the true or actual consideration, then the Director may fix the same and collect the tax thereon for the taxing jurisdiction in the same manner as above provided, with interest, plus penalties, if such have accrued.

d. All taxes, penalties and interest assessed pursuant to the provisions of this ordinance shall be paid within thirty (30) days after notice and demand shall have been mailed to the dealer liable therefore by the taxing jurisdiction.

e. If taxes, penalties and interest assessed shall not be paid within thirty (30) days, there shall be added to the amount assessed, in addition to interest as hereinabove provided, and any other penalties provided by this ordinance, a sum equivalent to five (5%) percent of the tax.

Section 14. PROCEEDINGS TO COMPEL ACTION

a. If any dealer subject to make and file a return required by any provision of this ordinance fails to render such return within the time required, or renders a return which is false or fraudulent in that it contains statements which differ from the true gross sales, purchases, leases or rentals, or other transactions taxable under this ordinance, or otherwise fails to comply with the provisions of this ordinance, for the taxable period for which said return is due, the Director shall give such dealer fifteen (15) days' notice, in writing, requiring such dealer to appear before him with such books, records and papers as he may require, relating to the business of such dealer for such taxable period. The Director may require such dealer, or the agents or employees of such dealer, to give testimony or to answer interrogatories, under oath administered by the Director respecting the sale at retail, the use, or consumption, or distribution, or storage for use or consumption, in the taxing jurisdiction, or lease or rental of tangible personal property, or other transactions subject to tax, or the failure to make report thereof, as provided in this ordinance.

b. If any dealer fails to make any such return, or refuses to permit an examination of his books, records or papers, or to appear and answer questions within the scope of such investigation relating to the sale, use, consumption, distribution, storage, lease or rental of tangible personal property, or sale of services, the Director may apply to any court of competent jurisdiction for an order requiring such dealer to make such return, or requiring the dealer or his agents or employees to appear and answer any such questions or permit such examination, and the court or any judge thereof shall thereupon issue an order, upon such reasonable notice as shall be prescribed therein, to be served upon said dealer or the agents or

employees of such dealer, directing him to so appear and testify, and to produce such books, records and papers as may be required.

c. Any person failing to comply with any such order shall be guilty of contempt and shall be punished as provided by law in cases of contempt.

Section 15. JEOPARDY ASSESSMENT

a. If the Director finds that a taxpayer designs quickly to depart from the taxing jurisdiction, or to remove therefrom any property subject to any tax or to any lien for a tax, or to discontinue business, or to do any other act tending to prejudice or render wholly or partly ineffectual any proceedings that might be instituted to collect such tax, whereby it shall have become important that such proceedings be instituted without delay, he may immediately make a determination, from any available information or by estimate or otherwise, of the amount of tax, penalty and interest such taxpayer is liable to pay under this ordinance. Having made such determination, the Director shall immediately assess said amount, and by writing to be retained as part of his official records, indicate such assessment has been made, and without any notice, proceed to distrain as is hereinafter provided any property belonging to the taxpayer. This type of assessment may be made whenever a tax becomes due under the provisions of this ordinance, regardless of whether it is then payable or not.

b. As soon as is feasible after such assessment, and not later than two calendar days thereafter, the Director shall send by registered or certified mail a notice to the taxpayer against whom the assessment lies, at the address given in the last report filed by said taxpayer, or if no such report has been filed, to any such address as may be obtainable. Such notice shall inform the taxpayer of the assessment, its basis, and jeopardous nature; make demand for immediate payment thereof; and give notice that any property distrained or to be distrained will be subject to sale as hereinafter provided to satisfy the assessment.

c. The taxpayer against whom the assessment lies can stay distraint of his property, or sale of his property already distrained only by the immediate payment of the assessment or by posting with the Director a surety bond for twice the amount of such assessment, or of a lower amount acceptable to the Director, with such sureties as the Director deems necessary. The taxpayer shall have sixty (60) calendar days from the date of payment, or the date of posting bond, to appeal to the courts as provided in Section 19 hereof for a redetermination of the assessment. During this period, the Director shall hold any payment made in an escrow account. If the taxpayer does not appeal, the Director shall immediately credit such payment to tax collections or proceed to collect from sureties, if any were given. In the event of an appeal, such payment or demand for payment from sureties given shall be held in abeyance pending the redetermination or affirmation of the assessment by the court which reviews the matter. Final payment, or collection from sureties, will be for the amount of the affirmed or redetermined assessment.

Section 16. DISTRAINT PROCEDURE

a. If any dealer against whom taxes have been assessed under the provisions of this ordinance shall refuse or neglect to pay such taxes within the time prescribed in this ordinance, it shall be lawful for the Director to enforce collection of such taxes, together with such interest and other additional amounts as are added by law, by distraint and sale of any property or rights to property belonging to the delinquent dealer.

b. Wherever the words "distrain" or "distrain" are used in this ordinance, they shall be deemed to mean the right to levy upon and seize and sell, or the levying upon, or seizing or selling, of any property or rights to property of the delinquent dealer by the officer charged with the enforcement of collection of the tax for the purposes of satisfying any tax, interest or penalties due under the provisions of this ordinance.

c. Whenever the Director shall distrain any property of a taxpayer or dealer, he shall cause to be made a list of the property or effects distrained, a copy of which, signed by the Director shall be sent by certified mail to the taxpayer, dealer or retailer at his last known address or business address or served on him in person. This list shall be accompanied by a note of the sum demanded and a notice of the time and place where the property will be sold, if such a sale is necessary. Thereafter, the Director shall cause a notice to be published in the official journal of the taxing jurisdiction wherein distraint is made, specifying the property distrained, and the time and place of sale. The sale shall be held not less than fifteen (15) calendar days from the date of the notice mailed or served on the taxpayer or dealer or the

date of publication in the official journal, whichever is later. The Director may postpone such sale from time to time, if he deems advisable, but not for a time to exceed thirty (30) calendar days in all. If the sale is continued it shall be readvertised.

d. Any person in possession of property or rights to property subject to distraint upon which a levy has been made shall, upon demand by the Director, surrender such property or rights to the Director unless such property or rights, at the time of such and, subject to an attachment or execution under any Judicial process. Any person falling or refusing to surrender any such property or rights shall be liable to the taxing jurisdiction in a sum equal to the value of the property or rights not so surrendered, but not exceeding the amount of the taxes, penalties, and interest and other costs and charges which are due.

e. The Director shall sell at public auction for cash to the lightest bidder so much of the property distrained by him as may be sufficient to satisfy the tax, penalties, interest and costs due. He shall give the purchaser a certificate of sale which will be prima facie evidence of the right of the Director to make the sale and conclusive evidence of the regularity of his proceedings in making the sale, and which will transfer to the purchaser all rights, title and interest of the taxpayer or dealer in the property sold.

f. Out of the proceeds of the sale, the Director shall first pay all costs of the sale and then apply so much of the balance of the proceeds as may be necessary to pay the assessment. Any balance beyond this shall be paid to the taxpayer, dealer or retailer.

Section 17. SUMMARY PROCEEDINGS

In addition to any other procedure provided in this ordinance or elsewhere in the laws of this city, parish and state and for the purpose of facilitating and expediting the determination and trial of all claims for taxes, penalties, interest, attorney fees or other costs and charges arising under this ordinance, there is hereby provided a summary proceeding for the hearing and determination of all claims by or on behalf of the taxing jurisdiction, or by or on behalf of the Director, for taxes, penalties, interest, attorney fees, costs or other charges due thereon, by preference in all courts, all as follows:

a. All such proceedings, whether original or by intervention or third opposition, or otherwise, brought by or on behalf of the taxing jurisdiction, or by or on behalf of the Director, for the determination or collection of any tax, interest, penalty, attorney fees, costs or other charge, claimed to be due under any provision of this ordinance, shall be summary and shall always be tried or heard by preference, in all courts, original or appellate, whether in or out of term time, and either in open court or chambers, at such time as may be fixed by the court, which shall be not less than two (2) nor more than ten (10) days after notice to the defendant or opposing party.

b. All defenses, whether by exception or to the merits, made or intended to be made to any such claim, must be presented at one time and filed in the court of original jurisdiction prior to the time fixed for the hearing, and no court shall consider any defense unless so presented and filed. This provision shall be construed to deny any court the right to extend the time for pleading defenses and no continuance shall be granted by any court to any defendant except for legal grounds set forth in Article 1602 of the Louisiana Code of Civil Procedure.

c. All matters involving any such claim shall be decided within forty-eight (48) hours after I submission, whether in term time or in vacation, and whether in the court of first instance or in an appellate court and all judgments sustaining any such claim shall be rendered and signed the same day and shall become final and executory on the fifth (5th) calendar day after rendition. No new trial, rehearing or devolutive appeal shall be allowed. Suspensive appeals may be granted but must be perfected within five (5) calendar days from the rendition of the judgment by giving of bond, with good and solvent security, in a sum double that of the total amount of the judgment, including costs. Such appeals, whether to a court of appeals or to the Supreme Court, shall be made returnable in not more than fifteen (15) calendar days from the rendition of the judgment.

d. Whenever the pleadings filed on behalf of the taxing jurisdiction, or on behalf of the Director, shall be accompanied by an affidavit of the Director or of the counselor attorney filing the same, that the facts as alleged are true to the best of the affiant's knowledge or belief, all of the facts alleged in said pleadings shall be accepted as prima facie true and as constituting a prima facie case, and the burden of proof to establish anything to the contrary shall rest wholly on the defendant or opposing party.

e. The City Police for the City of Baker and the Sheriff for the Parish of East Baton Rouge shall enforce injunctions prohibiting the further pursuit of business when a valid injunction and Judgment has been obtained from a court of competent Jurisdiction involving delinquent sales and use tax under the provision of this ordinance until such time as the delinquent tax, interest, penalties and costs have been paid by the dealer retailer.

f. Failure to pay any tax due, as provided in this ordinance, shall ipso facto, without demand or putting in default, cause said tax, interest, penalties and costs to become immediately delinquent, and the taxing jurisdiction is hereby vested with authority, on motion in a court of competent jurisdiction, to take a rule on the dealer to show cause in not less than two (2) or more than ten (10) days, exclusive of holidays, after the service thereof, which may be tried out of term and in chambers, and shall always be tried by preference, why the dealer should not be ordered to cease from further pursuit of business as a dealer and in case the rule is made absolute, the order thereon rendered shall be considered a judgment in favor of the taxing jurisdiction, prohibiting such dealer from the further pursuit of business until such time as he has paid the delinquent tax, interest, penalties and every violation of the injunction shall be considered as a contempt of court and punished according to law. For the purpose of the enforcement of this ordinance and the collection of the tax levied hereunder, it is presumed that all tangible personal property subject to the provisions of this ordinance will be sold at retail, used or consumed, or stored for use or consumption in the taxing jurisdiction, or leased or rented within the taxing jurisdiction, and is subject to the tax herein levied; however, such presumption shall be prima facie only, and subject to proof furnished to the Director.

Section 18. DEALER'S RIGHT TO A HEARING

If any dealer shall be aggrieved by any findings or assessment of the Director, he may, within thirty (30) days of receipt of notice of the assessment or finding, file a protest with the Director in writing, signed by himself or his duly authorized agent, which shall be under oath and shall set forth the reason therefore, and may request a hearing. Thereafter, the Director shall grant a hearing to said dealer, if a hearing has been requested, and may make any order confirming, modifying or vacating any such finding or assessment. The filing of any such protest shall not abate any penalty for nonpayment, nor shall it stay the right of the taxing jurisdiction to collect the tax in any manner herein provided. Appeals from the decision of the Director shall be directed to any state, city or federal court of competent jurisdiction, as provided for in Section 19b hereof.

Section 19. LEGAL REMEDIES FOR DISPUTE SETTLEMENT

a. (1) A right of action is hereby created to afford a remedy at law for any dealer aggrieved by any provisions of this ordinance. In the case of such dealer's resisting the payment of any amount found due, or the enforcement of any provisions of this ordinance in relation thereto, such dealer shall pay under protest the amount found due by the Director, and shall give the Director notice, at the time, of his intention to file suit for the recovery of the same. Upon receipt of such notice, the amount paid shall be segregated and held by the Director for a period of thirty (30) days. If suit is filed within such time for recovery of the amount paid, such funds so segregated shall be further held in pending the outcome of the suit. If the dealer prevails, the Director shall refund the amount to the claimant with interest at the rate provided in RS. 33:2718, covering the period from the date the funds were received by the taxing jurisdiction to the date of refund.

(2) The Director may transfer to the taxpayer, at any time before judgment, taxes, penalty, and interest paid under protest when there is a genuine legal issue and he feels such transfer is in the best interest of the taxing jurisdiction. Interest in connection with such transfers shall be calculated as follows:

(a) For whatever portion of the judgment awarded to the taxing jurisdiction, the taxpayer shall owe interest at the rate specified in this ordinance from the date the tax was due until the date it was paid under protest. Further, the taxpayer shall owe interest at one-half the rate specified in this ordinance from the date the Director transferred the tax, penalty, and interest to the taxpayer until the date of repayment by the taxpayer.

(b) For that portion of the judgment awarded to the taxpayer, the taxing jurisdiction shall owe interest at the rate specified in this ordinance from the date taxes were paid under protest until the date of transfer to the taxpayer by the Director.

b. This section shall afford a legal remedy and right of action in any state, city or federal court having jurisdiction of the parties and subject matter for a full and complete adjudication of all questions arising in the enforcement of this ordinance as to the legality of any tax accrued or accruing or the method of enforcement thereof. In such actions, service shall be upon the Mayor.

c. This section shall be construed to provide a legal remedy in the state, city or federal courts, by action of law, in case such taxes or their collection are claimed to be an unlawful burden upon interstate commerce, in violation of any Act of Congress or the United States Constitution, or the Constitution of the State of Louisiana, or in federal jurisprudence; however, upon request of the dealer and upon proper showing by such dealer that the principle of law involved in an additional assessment is already pending before the courts for judicial determination, the dealer, upon agreement to abide by the decision of the courts, may pay the additional assessment under protest, but need not file an additional suit. In such cases, the tax so paid under protest shall be segregated and held by the Director until the question of law involved has been determined by the courts and shall then be disposed of as therein provided.

Section 20. PERSONAL LIABILITY OF DEALER

The liability of any person or dealer arising from any tax, interest and penalty from the time they are due shall be a personal debt of such person or dealer to the taxing jurisdiction, recoverable in any court of competent jurisdiction in an action at law by the taxing jurisdiction. Such debts, whether sued upon or not, shall be a lien on all the property of such delinquent person or dealer, except as against an innocent purchaser for value without notice in the actual course of business, and shall have preference in any distribution of the assets of the person or dealer, whether in bankruptcy, insolvency, or otherwise. The proceeds of any judgment or order obtained here under shall be paid to the taxing jurisdiction.

Section 21. OFFICER AND DIRECTOR LIABILITY

a. Notwithstanding any other provision of law to the contrary, if any corporation fails to file returns or to remit the sales and use taxes collected from purchasers or consumers, the Director is authorized, as an alternative means of enforcing collection, to hold those officers or directors having direct control or supervision of such taxes or charged with the responsibility of filing such returns and remitting such taxes and who willfully fail to remit or account for such taxes withheld or collected, personally liable for the total amount of such taxes withheld or collected, and not accounted for or not remitted, together with any interest, penalties, and fees accruing thereon. If any dealer liable for any tax, interest or penalty hereunder shall sell out his business or stock of goods, or shall quit the business, he shall make a final return and payment within fifteen (15) days after the date of selling or quitting business. His successor, successors or assigns, if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest and penalties due and unpaid until such time as the former owner shall produce a receipt from the Director, showing that they have been paid, or a certificate stating that no taxes, interest or penalties are due. If the purchaser of a business or stock of goods fails to withhold purchase money as above provided, he shall be personally liable for the payment of the taxes, interest and penalties accrued and unpaid on account of the operation of the business by any former owner, owners or assignors.

b. In the case of a dealer who has quit a business, and who subsequently opens another similar business under the same ownership, whether that ownership is individual, partnership, corporation, or other, that dealer shall be liable for any tax, interest, or penalty owed by the original business.

Section 23. THIRD PARTY LIABILITY

In the event that any dealer is delinquent in the payment of the tax herein provided for, the Director may give notice of the amount of such delinquency by registered mail to all persons having in their possession, or under their control, any credits or other personal property belonging to such dealer or owing any debts to such dealer at the time of receipt by them of such notice, and thereafter, any person so notified shall neither transfer nor make any other disposition of such credits, either personal property or debts, until the Director shall have consented to a transfer or disposition, or until thirty (30) days shall have elapsed from and after the receipt of such notice. All persons so notified must, within five (5) days after receipt of such notice, advise the Director of all such credits, other personal property, or debts in their possession, under their control, or owing by them.

Section 21. CORPORATE ACTIONS

- b. The Director shall design, prepare, print and furnish to all dealers, or make available to all dealers, all necessary forms for filing returns, and instructions to insure a full collection from dealers and an accounting for the taxes due. - c. The Director may design, prepare, print and furnish consolidated or combined forms for the use of those dealers who are required to file returns under this ordinance.
- d. The cost of preparing and distributing the report forms and paraphernalia for the collection of the tax, and of the inspection and enforcement duties required herein, shall be borne out of appropriations by the Council of the City of Baker, unless otherwise specified herein.
- e. The Director may revise, publish and adopt tax reporting forms, systems, and procedures which require the reporting of summary tax amounts which have been rounded off to the nearest whole dollar. The whole-dollar rounding off shall only be employed in reporting periodic summary tax amounts as directed by the Director and shall not be applied to individual transactions or tax applications.

Section 26. NOTICE REQUIREMENTS

Any notice required to be given by the Director pursuant to this ordinance may be given by personal service on the dealer for whom it is intended, or be mailed to the dealer for whom it is intended, addressed to such dealer at the address given in the last report filed by him pursuant to the provisions of this ordinance; or if no report has been filed, then to such address as may be obtainable. Upon receipt of a sworn statement of the dealer as to the gross amount of such refunds during the period covered by such sworn statement, which period shall not be longer than ninety (90) days, the taxing jurisdiction, through the Director, shall issue to the dealer an official credit memorandum equal to the net amount remitted by the dealer for

(2) The refund shall be granted whenever the Louisiana Department of Revenue and Taxation has found the dealer to be entitled to a tax refund in accordance with R.S. 47:315(B)(4).

(3) The prescription on such refund shall begin to run from the date of signature on the federal income tax return charging off such debt.

(4) Whenever the balance of an account that had been determined to be worthless and sales tax refunded is recovered later, the payment shall be reported as a new sale in the month recovered for sales tax purposes.

(5) The provisions of this Section shall apply to debts that are incurred on or after September 3, 1989.

(7) The president, executive officers, managers and directors of any corporation who shall violate any provision of this ordinance with the intent to evade the tax levied under this ordinance shall be guilty of a misdemeanor.
