Baker Workforce Development Center

Baton Rouge Community College (BRCC) and the City of Baker Workforce Development Center's partnership has proven to be a great asset to our community. Dr. Girard Melancon, Vice Chancellor of Workforce Solutions of BRCC said that this partnership with a city underwriting the costs of housing a program is one of the first, if not the first, in the State of Louisiana. The Baker Workforce Development Center on 3262 Baker Boulevard houses the program with BRCC. Baker's Workforce Development Center specializes in training classes for Pipefitting and Millwright jobs. These courses are being offered for \$300 because BRCC is utilizing federal dollars to help underwrite the costs. The Spring and Summer class dates are Mondays and Wednesdays from 3/16/2020—9/09/2020. For more information, call (225) 216-8239 and ask for Ms. Ethel Germany.
